ORDER EXTENDING DISCOVERY
DEADLINES

This matter comes before the Court on the parties' Stipulated Motion for Extension of Discovery Deadlines ("Stipulated Motion"). In the Stipulated Motion, the parties seek extension of the deadline for the depositions of Kristin Rivas and Colleen Hicks beyond the discovery cut-off but at least 90 days before trial. The parties have represented to the Court that these extensions will not have any impact on any of the later deadlines in the case schedule, including the trial date and the deadlines for filing trial-related pleadings. Based on the Stipulated Motion and the records and files herein, the Court finds good cause to grant the extension.

Accordingly, it is hereby ORDERED that:
